

Borough of Wenonah 2016

YOUR MAYOR & COUNCIL

Mayor John Dominy

The more things change, the more they remain the same.

I grew up in Wenonah during the 1970s. However, my experiences and adventures are strikingly similar to those both older and younger than me who also grew up in our town. Each generation gets to discover the same treasures that the generation before them ‘discovered.’

This is our challenge, for both our Council and our community. We must continue to volunteer for various community groups. We must continue to care for our woods and trails. We must make those same efforts that previous generations did before us so we too, can allow the future generations to ‘discover’ what we already enjoy.

I’ll see you around town.

WENONAH POLICE DEPARTMENT

The Wenonah Police Department would like to remind residents that you are our eyes and ears of the borough. I strongly encourage the residents of Wenonah to call in any and all activity they feel is suspicious by dialing 911 and providing the Gloucester County dispatcher with the information. The reporting of incidents should be done as they are taking place, or soon thereafter. Assisting and apprehending is more effective at the time the incident is occurring rather than in hindsight. Residents may call the office at any time at 856-468-6262/6263. For immediate emergencies dial 911.

DEPARTMENT OF PUBLIC WORKS

The Public Works Department, under the supervision of Ken Trovarelli begins their day at 7:00 A.M. handling a wide variety of tasks within our borough. Depending on the season, they take care of snow removal, mow our municipal grounds (including the park and ball fields), and prepare the beach and playground at the Wenonah Lake for the member's summer fun. There are also the bulk leaf and containerized yard waste collections throughout town. Other duties include emergency tree removal, water and sewer backup emergencies, curb and sidewalk installations, and water testing. In addition to all of those tasks, Public Works collects your metal products (appliances and scrap metal) for recycling, and re-arranges the court room set up for meetings and elections.

Please refer to the guidelines printed in this calendar for information on branch, yard waste, bulk leaf pickup, recycling and snow removal.

BULK LEAF COLLECTION

Beginning the week of October 17th and ending on the week of December 12th
Please **DO NOT** put leaves in bags or containers.

Where should I put my leaves?

- During bulk leaf collection, please place leaves in the street.
- Place leaves far enough from the curb line to allow water to flow past the storm water catch basins.
- Leaves should be placed a minimum of 10 feet from all storm water catch basins.
- Please **DO NOT** place leaves near a parked car. Adequate space is required for borough large leaf removal equipment.

Can I put other material with my leaves?

- Do not mix large shrubs, limbs or branches in with leaves.
- If these items are mixed in, or are on top of the leaves, they cannot be picked up.
- Pine needles may be included with leaves.
- See "Branches for Chipping" and "Yard Waste" guidelines.

When will my leaves be picked up?

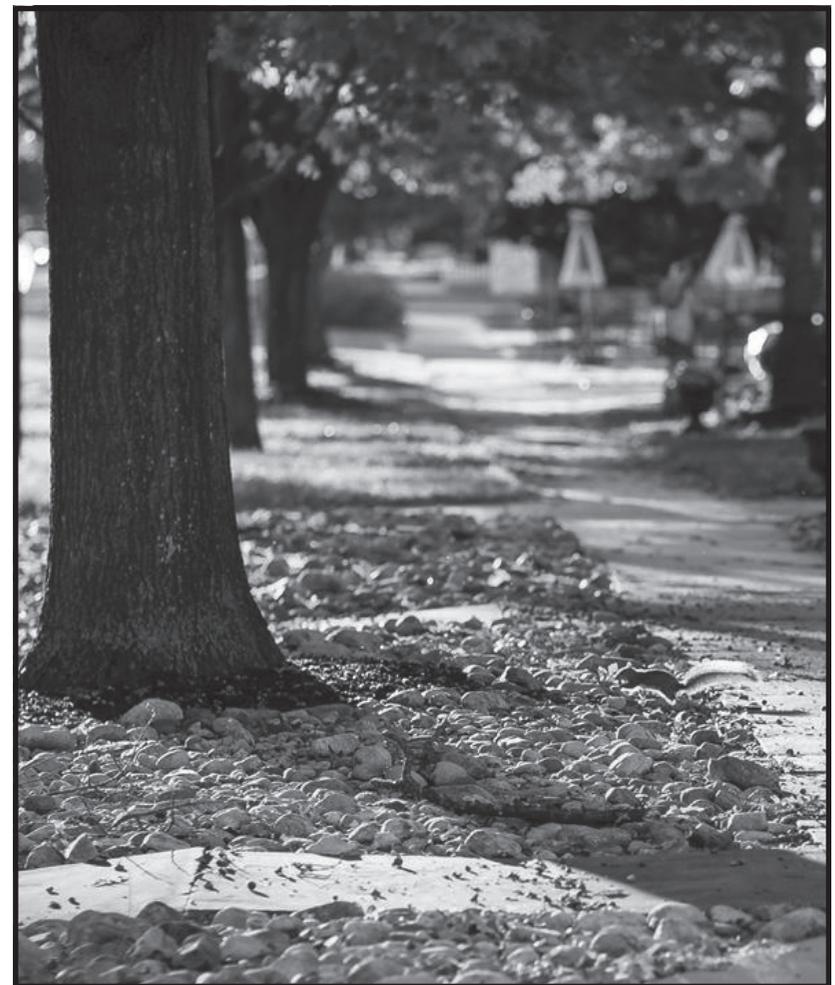

- Leaves will be picked up on a continuous rotating basis throughout Wenonah beginning on the week of October 17th and ending on the week of December 12th.
- These dates are dependent upon the weather, Public Works schedule, and in-town emergencies.

SNOW REMOVAL GUIDELINES

When snow is expected, please make every attempt to park your vehicle in a driveway.

If you must park in the street, use the "odd-even system" to facilitate snowplowing:

- Odd Days, park on the odd-numbered side of the street.
- Even Days, park on the even-numbered side of the street.
- Please clear your sidewalks within 12 hours of snow fall.
- If possible, wait until the borough plows have passed before shoveling your driveway.
