

MANTUA

Postmaster John Daniels has issued orders that the Mantua postoffice will close at 6 o'clock every Saturday during the summer.

• Contractor Howard Hirst has the contract for installing the plumbing in the building of the Pan-American Corporation at Wenonah. He also has the contract for laying the water mains to the buildings.

Howard Hirst, accompanied by Dr. Hamilton Mason, of Wenonah; Harry K. Mager and John Dawley, of Woodbury, went to Washington, D. C., to have the name "Mattee" patented for the Pan-American Corporation, which will manufacture a new kind of soft drink at Wenonah. They are directors of the company and enjoyed the trip, which was made by automobile. They visited some of the places of interest while in Washington.
