## Commencement Scenes at Wenonah Military Academy

## GAMDEN CADETS WIN HONORS AT WENONAH

### Diplomas Awarded to 17; 13 Complete Post-Graduate Work

Wenonah, June 8.—(Special) The annual commencement exercises of the Wenonah Military Academy were held yesterday afternoon. Seventeen cadets from Camden received diplomas, and thirteen completed post-graduate work.

The ceremony was presided over by the academy's superintendent. The graduates were presented with diplomas and certificates of honor. The ceremony was a formal and impressive occasion.

The graduates will be entering various professions and military service. The academy is proud of their achievements and wishes them the best in their future endeavors.

The academy has a long history of excellence in military education. It continues to provide a rigorous and comprehensive training program for its cadets.

The academy is committed to the highest standards of academic and military excellence. It remains a premier institution for military education in the region.

The academy's graduates are well-prepared for the challenges of the future. They are leaders in their respective fields and continue to uphold the values of the academy.

## P. S. CALLS ON 207 BUT ONLY 99 SHOW UP FOR POWER QUIZ

### 18 Testify at Morning Session and 21 at Afternoon Hearing

#### 7 NAMES CHALLENGED

Thirty-nine witnesses testified at the trial of the P. S. call on 207. Only 99 people showed up for the power quiz. The trial was held in the morning and afternoon sessions.

The witnesses provided testimony on various aspects of the case. The court heard from 18 witnesses in the morning and 21 in the afternoon. Seven names were challenged during the trial.

The trial proceeded with the presentation of evidence and testimony. The court is expected to reach a verdict in the near future. The case has attracted significant public attention.

The trial is a key event in the legal proceedings. It provides an opportunity for the public to see the justice system in action. The court will ensure a fair and impartial trial.

The trial is expected to continue for several more days. The court will handle all procedural matters and ensure the trial runs smoothly. The public is encouraged to attend the proceedings.

The trial is a significant event in the community. It highlights the importance of the legal system and the role of the courts. The court will continue to serve the public with integrity and fairness.

The trial is a testament to the commitment of the legal system to justice. It is a process that ensures the rights of all parties are protected. The court will continue to uphold the principles of the law.

The trial is a crucial part of the legal process. It is a process that is essential for the functioning of a democratic society. The court will continue to work hard to ensure a just outcome.

## FREE MEDICAL AID OF CLINICS OPPOSED BY CAMDEN DOCTOR

### View Expressed at State Convention Argues Rate-erson Colleagues

#### EQUIPMENT NEED CITED

The free medical aid of clinics is opposed by a Camden doctor. He expressed his views at a state convention, arguing that the rate-erson colleagues and the need for equipment are concerns.

The doctor's concerns are shared by many in the medical community. He believes that the current system is unsustainable and that there is a need for reform. He argued that the rate-erson colleagues and the need for equipment are key issues.

The doctor's speech was well-received by the convention attendees. He made a strong case for his position and highlighted the challenges facing the medical profession. He called for a more equitable and sustainable system.

The doctor's concerns are valid and need to be addressed. The medical profession is facing many challenges, and it is important to find solutions that work for everyone. He believes that the rate-erson colleagues and the need for equipment are key to the solution.

The doctor's speech was a powerful statement on the state of the medical profession. He called for a more equitable and sustainable system, and his concerns are shared by many in the community. He believes that the rate-erson colleagues and the need for equipment are key to the solution.
