A MESSAGE FROM VICE PRESIDENT JACK SHEPPARD

Dear Members,

The Constitution and Bylaws of the Wenonah Historical Society require us to a have a President, Vice President, Recording Secretary, Treasurer and two Trustees for terms of two years. This group constitutes the Board of Trustees of the organization.

We are also required to appoint a Nominating Committee at the November meeting for the purpose of presenting a slate of names for those positions at the January Meeting. The Nominating Committee is to be made up of two members of the Trustee Board and two regular members.

The terms of office on the Board are two years and all terms are due to expire at the end of 2004.

At a recent meeting of the officers and Trustees the current situation, that of the President stepping down and the entire Board needing to be replaced was duly noted. There was then a general discussion of names in the entire membership in an attempt to determine members who might want to become more involved in Society activities, either as candidates for the Board or as volunteers for museum creation activities.

There was also considerable discussion of the great need to get moving on the objectives of the

Society, especially those related to the preservation of historic documents, records, artifacts and memorabilia of our community.

The future of the Community Center as a repository and museum for these purposes is in our hands but if we don't get moving on the project soon we may lose our claim to the building.

Accordingly we are looking toward establishing volunteer "work parties" very soon to

HISTORICAL TIDBIT

Wenonah was created from a group of five adjacent farms that mostly grew sweet potatoes. Animal manure was used to fertilize the crops and the manure cars were delivered to a siding in the center of town. Apparently the smell was horrible and by 1892 the Borough Commission and citizens appealed to the West Jersey RR Company for relief. A new siding was then built at the current location of the Borough garage, Maple Street at the railroad.

The town was very lively yesterday. Every train bringing a load of visitors and the beautiful weather kept them on the streets enjoying the air.

The woods were full of gunners here yesterday, but the bags were rather small. Whether due to unskillful marksmanship or lack of rabbits is hard to tell. It is certain that enough shots were fired in the neighborhood.

There is considerable discussion as to what use the room over the new fire house should be put other than regular meetings of the Fire Company. There seems to be a desire on the part of some to use it as a smoking room and a place to play cards. Of course there will be no gambling under the new administration.

A ballot was taken this morning at the Academy on the Presidential candidates and the results are as follows. Taft 38, Chafin 3, Bryan 6.

There was a fire last night at the M.E. parsonage on Willow Street, and but for its timely discovery the parsonage would have been burned down. Miss Cornelia Truncer saw a light in the third story of the building and concluded at once that there was something wrong. She went to the parsonage and asked if there was anyone in the third floor with a lamp. She was told there was not, and upon investigation it was found that a box of papers was on fire. A bucket brigade was formed and the blaze was soon subdued. The Fire Company did not go into service. Just how the fire started is a mystery, but it might be the old story of mice and matches.

The question, which is puzzling our gunners, is where to gun on Monday, when the rabbit season opens. In almost every direction one looks in the country his eyes beholds a notice, which forbids gunning on the premises.

An exciting runaway occurred here last evening. A farmer drove into town to meet the train, and his horse was frightened and ran up the street east of the depot and down the embankment north of the station where it meet an express train and turned off the track at the flag house completely circling the depot. No damage was done, but how the horse missed the third rail is a mystery. It also had a narrow escape from the express train.
